SAD GOODBYE TO CHAIRMAN—CLIVE

Councillor Clive Bolton resigned at the beginning of April and presided over his last Council Meeting at the beginning of May – the Annual Parish Council meeting. This marks the end of a long and distinguished Council career.

Clive joined the Council in 1996 and took over the chairmanship a couple of years later. Prior to 1996, he was involved with village affairs such as the infamous "asphalt plant proposal" and an earlier wind farm proposal for Dot Hill, as well as a village survey which was conducted in 1990. "During my time on the Council I have been impressed by the energy

and professionalism of our Councillors. It is these qualities which have been responsible for raising our village's profile with the County Council.

The newsletter is beginning to help the villagers see how much is being done on their behalf. It has been an interesting time but, with other current demands on my time, I feel it important to hand over the reins. I've enjoyed the ride and hope in the near future to at least get back to my pre-1996 involvement". Councillor Chris Waite has replaced Clive as Chairman.

DOG ALERT

Unfortunately we are still receiving a large number of complaints about dog fouling and barking.

If you own a dog, please be respectful of other residents - clean up after it and don't allow it to bark excessively.

If an offender is caught, they may be issued with a fixed penalty of £50 or a maximum fine of £1000 if prosecuted. To report cases of dog fouling/barking, please contact the animal warden/pest control department at ERYC Tel 01483 396391 or send an email to animal.wardens@eastriding.gov.uk

NPA Sponsored walk held on Saturday 12th June 2010. See overleaf for details.

PARKING CONCERNS

Following numerous complaints, the Council will soon be conducting a survey into parking in the village. The precise nature of the survey is yet to be determined but will be publicised in due course. An action plan will follow the survey results. If you have any comments or concerns relating to parking, please contact the Clerk.

COUNCIL CHANGES

We have two new Councillors on the Parish Councillor— Stewart Craig and Nigel Tomlinson.

Stewart, an Electrical Engineer, has lived in the village for 6 years. He married Emma in Newbald Church in 2005.
